

**Title:** Listening To God (AA)

**Age range:** All ages.

### **Theme / Motivation**

The motivation behind this area is to provide 'space' to listen to God. So often we come into God's presence with an agenda and as a result we miss much of what God has to say to us. The simpler the area is the better, lets give Him space to say anything he wants to and allow ourselves to hear what his voice sounds like.

### **Design / Structure**

Find somewhere for this area that is peaceful and not distracting, maybe on a sofa! You could perhaps provide some bible verses & content on paper around the sofa referencing when and how God spoke to people in the bible. Write a sign saying... 'Ask God to speak to you...'

### **Materials**

Sofa / cushions

### **Ways this could be adapted**

As with all of the ideas in the Creative Bank you can develop and try any number of different methods, don't feel you must use the ones we have described.
